

Accessibility in Industry MIDA Panel

Accessibility ensures everyone can effectively use digital tools, games, platforms, and resources, regardless of their abilities or circumstances.

Hear from industry leaders at Microsoft, AccessForge, and Level Access as they share insights on driving accessibility innovation in the digital world. Join the Maryland Initiative for Digital Accessibility as we explore this important topic and learn ways you can contribute to making technology more usable for everyone.

Wednesday, April 2
4:30 - 6:00 PM EDT
Via Zoom

RSVP: [GO.UMD.EDU/MIDATECH](https://go.umd.edu/midatech)
